

SKU: FAB-360

FIRE PIT LID – 36” X 36”

FIRE PIT LIDS COMES IN SQUARE SHAPES.

FIRE PIT LID WILL COME WITH A TWO HANDLE AND Its HARDWARE.

ASSEMBLY & INSTALLATION

- The handle installs on top of lid with the help of screw, nut and washer.
- Using, the handle, simply sit the lid over-top of the fire-pit opening, centering it left to left and right to right resting on the top of enclosure.

NOTES:

- Do not use abrasive cleaners or steel wool on any parts. Doing this will scratch the finish.
- Do not operate fire pit with lid installed.
